

## 'Round the Town...

Mrs. G. Picard, of Belle Vue Court, is spending sometime at Hermosa Beach.

Mrs. E. Louise Gray, of 213 North Auburn avenue, returned on Tuesday from a trip to Chicago.

Dr. Edythe M. Dutcher and mother, Mrs. M. R. MacDowell, of Belle Vue Court, were at Hermosa Beach over the weekend.

Miss Edna R. Green and Mrs. F. H. Hartman are spending a few days at Laguna Beach at the home of Mrs. E. D. Burbank.

Mrs. M. W. Cooley, of Santa Barbara, spent several days last week with Mrs. M. R. MacDowell of Belle Vue Court.

W. A. Evans, Rev. Stewart R. Sheriff and James Scoville spent Thursday at Manhattan Beach fishing.

Miss Wilma Morrow, of Denver, Colo., former resident, arrived on Wednesday to be the house guest of the M. M. Bains family, 87 East Highland avenue.

Mr. and Mrs. W. L. Hibbs and family, of 198 North Lima street, plan to spend Sunday at Lake Arrowhead.

Mr. and Mrs. Hix Thornburg, of Los Angeles, were callers at the D. C. Ashmore home, 477 North Baldwin avenue, on Sunday.

Mr. and Mrs. John Conley and daughters, Russline, of Belle Vue Court, are spending the month of August at Hermosa Beach.

Mr. and Mrs. Fred Lock, of Huntington Beach, are vacationing for two weeks at the Petzel log cabin, 461 Sturtevant Drive.

Mrs. T. L. Blanke, of 271 North Sunnyside avenue, left on Thursday to visit Mrs. Edna Lee Hansen at Sequoia for three weeks.

Miss Rosemary Rananah, of 119 Auburn avenue, spent a week with her sister, Mrs. George Vanderhaar, of Pasadena, camping at San Onofree Beach.

Wilma and Dorothy Smith, of North Lima street, spent last week with their grandparents, Mr. and Mrs. G. H. Terwilliger, of Norwalk.

Percy Kortkamp, of Park avenue, returned on Sunday from a visit of over a week with his cousin, Harold Curdie, in Hollywood.

Mr. and Mrs. P. E. Lacey and two daughters, Bertha and Frances, are leaving for a trip to San Francisco. Herbert and June Lacey are visiting in Encinitas.

Edward Rananah, who is stationed at Los Prietos Reforestation Camp near Santa Barbara, spent the weekend visiting his parents, Mr. and Mrs. Peter Rananah, of 119 North Auburn avenue.

Mr. and Mrs. Bert Smith, of Wallace, Idaho, arrived this week to be with Mrs. Smith's father, Rec. Stanbery, of North Baldwin avenue, during his illness. Mr. Stanbery is quite seriously ill.

Misses Della and Pearl Neagle, who have been visiting their brother-in-law and sister, Mr. and Mrs. William Lauren Rhodes, of 529 West Highland avenue, for the past seven weeks, are leaving today for their home in San Francisco.

Rev. and Mrs. M. D. Kneeland, of Yreka, are expected the latter part of the week at the E. H. Vannier residence, 153 South Hermosa avenue, for a visit of a month. The Kneelands are from St. Mark's Parish in Yreka. They are making a stop over at Yosemite National Park enroute.

About 15 Sierra Madreans attended the wedding of Mrs. Bertha Shields and Dr. Reeves at Westlake Park, Los Angeles, on Wednesday evening. Mrs. Reeves is the sister of Mrs. August Smith, former Sierra Madre resident. Rev. Father Woodcutter, formerly rector at St. Rita's Shrine, performed the ceremony.

Mrs. Elizabeth Pettes Croft with her little daughter, Charlotte, formerly of Pasadena, are spending a couple of weeks with Mrs. Croft's mother, Mrs. Charlotte Pettes, of 87 North Auburn avenue, prior to sailing on the Harpoon, August 15, for a trip through the Panama Canal on their way to Washington, D.C., to make their future home.

Mrs. William B. Wright and two small sons from Deeth, Nev., are visiting Mrs. Jessica H. Wright, of East Central avenue. Mrs. Wright will remain here for the wedding of her sister, Miss Sarah Schwartz, which takes place at noon on Saturday. She will spend her vacation at Balboa Beach with the Schwartz family after the wedding, until Mr. Wright comes south on his vacation to accompany his family home.

The Kiwanis ball team goes to Temple City Tuesday night to cross bats with the Legion team of that community.

## Law Maker Lauds Work Of Assembly

Martin Says Legislature Outdid Predecessors In Service To The People

By Frank G. Martin  
Assemblyman 48th District

The work of the Fiftieth Legislature is done. Judge it for yourselves, you sovereign people of Sierra Madre. But I respectfully ask you not to be hasty in your judgment. Remember, that this Legislature confronted the most distressing economic and financial problems, as well as general social conditions, that any Legislature ever did in the State's history. We have made mistakes. But not all of our acts were mistakes.

This Legislature has provided a greater measure of relief to taxpayers than any of its predecessors. It will require years of experience and demonstration to show fully to the people what substantial relief the Riley-Stewart Taxation Plan and legislation in connection therewith, will bring.

Consider the fact that we repealed obnoxious special assessment acts; that we provided liberal relief for victims of special assessments; that we passed a sweeping measure providing permanent relief from excessive tax delinquency penalties; that we enacted legislation to correct pernicious deficiency judgment evils; that we gave a moratorium on payment of April taxes; that we gave a moratorium on foreclosure of mortgages and trust deeds. These are some of the relief measures.

Remember that this Legislature reduced the State budget by tens of millions of dollars. Remember, too, that this Legislature had the courage to override many vetoes of the Governor and thus save the State large sums.

Do not be worried or deceived by the outcry that the Legislature failed to do its duty in not providing enough revenues to balance the budget. We did not want to balance the budget. Experts vary widely in their estimates of what the sales tax of 2½ per cent will produce. Legislators would take no chance in piling up a surplus, to be spent as was the surplus of \$31,000,000 which was in the State treasury when the present administration came into office. If an extra session of the Legislature should be needed to provide more revenue, we will go back and provide it. But we are acting for economy and in favor of the taxpayers in making sure that this administration shall not have another surplus to spend extravagantly.

If any resident of the 48th Assembly District desires information about legislation which I can supply, I shall always be ready to extend this or any other courtesy to the people of this area.

## Ranch Man Has Own Air Mail Delivery Right At His Door

Albert Gregory, manager of Hastings Ranch, has the finest air mail service in the city. Mr. Gregory's delivery service is not confined to letters weighing an ounce, even his Sunday morning papers are delivered to his door step, by plane.

Early Sunday morning the community was aroused by a plane hovering over the Hastings Ranch and someone telephoned the police department that an object had been tossed overboard. Police investigated and learned that Gregory Chase, grandson of Albert Gregory, who delivers mail quite frequently to his grandfather, had dropped off papers and mail. The young man stops in Sierra Madre for mail and papers enroute to get his plane, which is kept at a hangar in Monrovia, and drops the mail over the ranch shortly after.

"I'm as proud as a peacock over that grandson of mine," Mr. Gregory confesses, "but it does worry me when he comes over here so low, just to drop me mail."

## Crown City Moves To Keep A Supervisor On County's Board

Pasadena's Chamber of Commerce is pushing the effort to have all of that city included in one Supervisorial district, preferably the First, in which Sierra Madre is located and which is now represented by Supervisor Hugh A. Thatcher, of Pomona. The organization has appointed a committee of 32 members to bring the matter formally before the board of supervisors with a request for immediate action.

The western half of the Crown City, or the portion of it lying west of Los Robles avenue, is in the Fifth district, now represented by Roger Jessup who announced during his recent campaign that he would seek the inclusion of all of Pasadena in one district. The law permits the changing of district lines by the supervisors within a year after the filing of a notice of a desired change by a supervisor whose district is affected—in this case Jessup.

There will be vigorous opposition to the change from the cities and towns of the San Gabriel Valley on the ground that the district is agricultural and that the problems affecting a vast majority of the territory do not in any way relate to a city the size of Pasadena. Also the move is regarded by many as an unconcealed effort to give Pasadena control of the First district.

## Art League Will Act As Host Tonite

Patrons, instructors and students of the Municipal Art League will welcome the townspeople to an inspection of their "Old Barn" studio and work of the students at 115 West Bonita avenue at 8 o'clock this evening.

The affair will be in the nature of an open house with a musical entertainment arranged by Richard Knost, well known musical director and head of the musical division of the league, and will be the first of a series of social functions to be offered by the League during the summer and fall.

Exhibits of the students work will consist of samples submitted in connection with their applications for membership and drawings they have completed since taking up their League studies.

Gus Rihard's orchestra will furnish a musical program and supply the accompaniments to vocal numbers. Rosalie Knost, known to radio fans as Rose Quigley, will sing a group of solos and the "Sierranaders," a group of Sierra Madre girls trained by Mr. Knost, will present light opera selections. The "Sierranaders" include Treva and Roberta Scott, Margaret Griebel, Cynthia Hull, Virginia Roess, Rena Quigley and Martha Fisher.

Mrs. Alfred James Dewey will act as hostess and will be assisted in serving refreshments by a committee consisting of the wives of artists and women patrons of the League.

## Pasadena's Right To Lay Water Line To Be Held Up Here

Pasadena will probably have to amend its application for the right to lay a conduit through Sierra Madre to carry water from its Pine Canyon dam to its Sunset reservoirs. The city will ask that the proposed line through Orange Grove avenue shall be laid considerably more than the maximum of three feet underground specified in Pasadena's application, or that the City of Pasadena shall sign an agreement to pay the expense of later lowering the mains to permit the entry of utility service of any kind or to accommodate a change of grade.

Application for a right of way for a conduit of the Metropolitan Water District to bring Colorado river water into Los Angeles through a line to be laid on Highland avenue brought a reminder to the Council that unless the proposed pipe is laid at a considerable depth, future development of the city might be interfered with.

Monrovia has prepared to accept the Crown City's application for a right of way through that town but has announced that it will stipulate in the agreement that Pasadena must assume responsibility for present or future damage to private or city property.

Pasadena's application will probably be considered at next week's Council meeting here.

## All-Stars In 9-0 Victory Over Pomona

Local Team Gets Revenge As Pratt Heaves Second 4-Hit Game In A Week

With Pratt pitching his second four-hit ball game in five days, the Sierra Madre All-Stars blanked the All-Stars from Pomona here on Tuesday evening to even up the 13-9 drubbing they took from the Pomona ball tossers a week ago. While the visitors were breaking their backs to connect with Pratt's fast ball the locals sent nine runs across. Now there is a prospect of a third game that should prove one of the most interesting a local team has participated in this year.

His teammates gave Pratt almost perfect support and played bang-up, snappy ball. Only three visitors got a bat near Pratt's delivery. Bolinger, the catcher, was responsible for two of the four hits. Fanning the first man up in the first inning, Pratt struck out at least one batter in each of the following stanzas except the fourth, when the Pomonians were retired on three pitched balls. There were two strike-outs in the first, one in the second, two in the third, two in the fifth, three in the sixth, two in the seventh and one each in the eighth and ninth innings.

In the fourth inning Peck slapped the first ball Pratt heaved for a little pop fly to the pitcher's box that Pratt gathered in. Jordan hit the first ball offered him for a foul behind the plate that Brain smothered. Ahern swung at the first ball and grounded out, Harkness to LaLone.

Harkness hit on three of his four appearances at the plate and scored two runs, one of which was a homer. He drove in another run with a single.

Sierra Madre took two runs in the third. LaLone singled, Pratt fanned, Sanchez grounded out to third, LaLone taking second on the put-out. Harkness singled and LaLone scored. Ross singled and Harkness scored, Ross being retired when he tried to stretch his hit into a two bagger.

Two more were added in the fourth. Brain led off with a single. Marsh and Young struck out, but LaLone hit a home run scoring Brain ahead of him. A

## Many Boys Guests Of Kiwanis Club At Canyon Park Pool

Sixty-four Sierra Madre boys visited Canyon Park swimming pool on Saturday as guests of the Kiwanis Club. It was the largest turnout since the Kiwanians announced three weeks ago that the club would provide tickets every Saturday for any boy whose parents are unable to provide him with a ticket. The tickets are being issued at Mid-doughs' Sierra Madre Drug Store. It is merely necessary for a parent to sign a card announcing that permission has been given for the child to go swimming.

Since the club inaugurated its free swims more than 150 boys have availed themselves of the invitation. Not only are the boys entitled to swim, but they are privileged to join the classes that are being given instruction by a former life guard and professional swimmer.

## City Force To Cut Down The Fire Hazard

The owners of more than 150 properties in Sierra Madre having failed to heed the city and government appeals to remove the fire hazards created through weeds on their properties, the city will move a force of 20 men into action Monday morning to clean up the lots and parkings.

The work will furnish employment for 20 unemployed local citizens and the cost will be added to the tax bills of the property owners. An effort was made to have non-resident owners engage the unemployed to do the work directly, which would have reduced the cost almost 50 per cent to the affected taxpayers. This was explained in notices sent directly to these owners. The work done by the city will add accounting and the cost of supervision.

## Delinquent Taxes Here Set Record

City's Collections And New Valuation Form Basis For 1933-34 Budget

It is estimated that considerably less than ten per cent of taxes assessed in Sierra Madre are delinquent with the probability that the percentage may go as low as five per cent, a record for Los Angeles County. The city's financial statement to be presented to the Council by City Clerk Waverly E. Pratt at next week's meeting shows uncollected taxes on June 30, the close of the fiscal year, of \$19,545.41 or 25 per cent, but between that date and July 31 the amount had been reduced through payments received from the county tax collector to \$11,481.30 or 15 per cent. Collector Welch advised the city yesterday that a substantial sum would be forwarded within a few days.

The apparent delinquency at the close of the fiscal year was due to the tax moratorium decreed by the Legislature which extended the season for payment of the second or Spring installment of taxes from April 20 to June 20.

The city clerk's report, which will be found on page six of this issue of *The News*, shows the receipt during the fiscal year of 1932-33 of \$143,338.52 with expenditures for the general government of \$16,809.23 and the allotment of \$38,555.68 for sinking fund and interest charges on outstanding bonds.

This report is being used as the basis for consideration of the city budget for the fiscal year 1933-34. Reduction in assessable valuations here made by County Assessor Hopkins indicated that \$7,744.50 will have to be lopped off the operating expenses if the tax rate for the ensuing year is to remain at \$2.40 per hundred of assessed valuation for city purposes, which was the rate last year. The one immovable object in the path of continuation of the old levy is the sinking fund and interest charge which cannot be evaded or reduced. All of the local departments have received instructions to reconsider and pare their estimates to the lowest possible figure and present them, prior to the next meeting of the City Council.

## Two Draw Fines For Burning Rubbish Without A Permit

City Judge Thomas W. Neale imposed a fine of \$50 on Glen Ruedy and Gregg Retchlin of 869 North Auburn avenue when they were arraigned before him Friday charged with starting a fire without a permit. The men were cleaning up the premises at the above address and admitted burning the accumulated weeds and rubbish. The fire had supposedly burned itself out, but started anew and burned over three acres of brush in upper Floral Canyon. Forty dollars of the fine was suspended.

## PUBLIC INVITED TO HEAR DISCUSSION OF CURRENT PROBLEMS AT KIWANIS MEETINGS

Practically every business man and mercantile establishment in the State became a tax collector on Tuesday when the California retail sales tax law went into operation. J. W. Holmes, deputy city attorney of Pasadena, told the Kiwanis Club at its noon luncheon on Tuesday.

It was not at all improbable, the speaker said, that a special session of the Legislature will be called about October to change, probably to lower, the tax. He explained that the 2½ per cent rate was based on an indefinite continuation of the depression whereas a marked upturn in business had set in before the law became effective. The inevitable result, he said, would be that the 2½ per cent tax on purchases would yield an amount in excess of the State's actual requirements and the Legislature would be able to reduce the percentage. Much would depend, he added, upon whether Governor Rolph vetoed the State income tax law adopted by the Legislature. If that measure is vetoed it might require all the revenue the sales tax law will yield to meet the State's obligations and come nearly balancing the budget.

Mr. Holmes explained that the State Board of Equalization had first in television experiments and more recently in metallurgy.

## Beer License Here Surrendered When Demand Lets Down

The Sierra Madre Ice Company has surrendered its license to distribute beer here. The business was found unprofitable—not worth the candle. Local retailers are doing only a fair business and found it necessary to close out some of the eastern brews that were great favorites immediately after beer came back. Distributors here say that most of the money spent for beer is going out of the city because of the local ordinance prohibiting its consumption on the premises where purchased and are hopeful that the Council will act favorably upon petitions to be presented at the next Council meeting removing this restriction.

Glendale, the first Southern California city to produce the much wanted five-cent schooner, however, reports a slump in the beer business there. Several licensees have surrendered their permits with the announcement that the high cost of the beer and various taxes have made its handling unprofitable.

There has been a 75 per cent decrease in beer consumption in Hermosa Beach since June 1st and several licenses have been relinquished. There as here the Council is being petitioned to amend the local ordinance so as to permit beer to be consumed where purchased and to be sold on draught.

## City Ready To Present Work Plans

Projects Calling For Expenditure Of \$351,000 Will Be Presented Next Week

Sierra Madre's biggest public improvement program calling for the expenditure of \$351,000, will be submitted next week to H. H. Cotton, chairman of the California Advisory Board, appointed by the President to pass upon contemplated projects to be financed out of the three billion dollar public works appropriation of the Government.

Business Manager Al S. Myers received word yesterday that the necessary forms on which the applications must be filed and programs submitted, will be available on Monday or Tuesday. They call for a wealth of detailed information, not only as to costs but data showing necessity and permanent usefulness of contemplated improvements to the community and the State.

The city's program lists 14 projects including \$48,000 for the paving of all unpaved streets here; \$65,000 for the laying of sidewalks and \$25,000 for accompanying curbs. Three bridges are included and \$10,000 will be asked for the construction of culverts throughout the city. The remainder of the amount asked will be for perfection of the city water projects, completion of Bailey Canyon as a public park and \$80,000 for construction of the Grand View avenue storm drain system.

Acceptance of the new schedule will require the employment of additional clerks by two or three of the more important markets here, the heads of which accepted the situation uncomplainingly in their announced desire to give the maximum of service to the public and at the same time establish a system that would give both the merchant himself and his employees a little more leisure after the emergency for which the NRA was created has passed.

No opening and closing hours were agreed upon by the other merchants pending adoption of codes by their respective lines in this area.

## 100 Per Cent For The NRA Shown Here

Merchants And Buying Public Accept Plan With Enthusiasm

"Ninety-nine per cent of Sierra Madre's business has turned in its NRA agreements and we have issued the necessary certificates and insignia accordingly," said Postmaster Jessica H. Wright last night.

The whole city has accepted the President's effort to restore employment and buying power enthusiastically and the blue eagle was displayed in practically every business house yesterday. The buying public showed quite as much interest and concern in the movement as the merchants themselves and the assertion that the city is a hundred per cent behind the President in his drive seems entirely within the facts.

At the largest meeting of Sierra Madre merchants held in many years at the City Hall on Monday night a genuinely sincere effort to co-operate in every possible way was shown by everyone present, though several of the business men asserted operation of the act would work a real hardship on them until business catches up with the rising price of necessities and increases in volume sufficiently to justify the increased cost of operation required by the recovery act.

Practically all of the local merchants have attended district meetings of representatives of their several businesses at which the codes for the operation of their lines have been considered and without exception on Monday they announced they would accept the codes now being prepared.

Incidentally the meeting agreed that local business would accept the schedule unofficially announced by the State Board of Equalization for collection of the new State retail sales tax and that no tax would be collected on purchases of less than 15 cents. The schedule in effect at all local business houses follows:

Sales from 1 cent to 14 cents, no tax.  
Sales from 15 cents to 59 cents, 1 cent tax.  
Sales from 60 cents to \$1.05, 2 cents tax.  
Sales from \$1.06 to \$1.49, 3 cents tax.  
Sales from \$1.50 to \$1.99, 4 cents tax.  
Sales from \$1.91 to \$2.30, 5 cents tax.  
For each 40 cents thereafter, 1 cent additional tax.

An effort to agree upon a uniform schedule of business hours for local business houses resulted in a signed agreement among the grocery stores and meat markets to co-operate in the NRA program by opening at 9 a.m. and closing at 6 p.m. with the exception of Saturday, when these firms will remain open until 7 o'clock. The agreement has been in effect all week, but may be altered later to conform with opening and closing hours of similar business places in surrounding towns, notably Glendale, Pasadena and Monrovia.

Acceptance of the new schedule will require the employment of additional clerks by two or three of the more important markets here, the heads of which accepted the situation uncomplainingly in their announced desire to give the maximum of service to the public and at the same time establish a system that would give both the merchant himself and his employees a little more leisure after the emergency for which the NRA was created has passed.

No opening and closing hours were agreed upon by the other merchants pending adoption of codes by their respective lines in this area.

## Observations

By Lee Shippey  
ROLPH made a fine speech to the President and the visiting governors. California would be one of the best governed states on earth if only he could govern as well as he can talk.  
He vetoed bills reducing the salaries of judges from \$10,000 to \$8,000 a year, and cutting a lot of other salaries like that, but he's strong for sales taxes, which raise the cost of living for all the poor devils, who can hardly make both ends meet. Evidently he either has no idea of running again or wants to make a record as the worst-beaten man in history.

## IT'S NO LONGER JUST AROUND THE CORNER

For a good many months we've been talking about recovery. At first, that talk principally represented optimism. Then some actual signs of recovery began to appear. The indexes took on a more cheerful tone. Now there is no longer any question about it. Recovery is here. There's hardly an industry that isn't feeling new blood in its veins these days.

A recent New York Times' survey is a good example. It is based on six of the most trustworthy barometers—automobile production, steel mill activity, lumber production, electric power output, freight car loadings and cotton forwardings. On March 18 the combined index stood at 60.0. On July 1 it had reached 97.3—a gain of better than 50 per cent.

Here are some reports, mostly based on Department of Commerce findings:

**Commodity Prices**—There has been a continued upward movement.

**Employment**—Improvement marked and widespread. During June more than 500,000 persons found work in manufacturing and 16 non-manufacturing industries, irrespective of agriculture, railroads and other fields.

**Finance**—Until very recently stock prices moved constantly up. The recession that followed is of no particular importance; it is principally the result of profit-taking in a speculators' market.

**Construction**—In the first half of June contracts represented the highest activity since fall. Most pronounced gain was in non-residential construction.

**Transportation**—Railroad carloadings are much better than last year at this time, and improvement has been sustained.

**Automobiles**—It is customary for a seasonal decline to appear in June. This year there was an increase instead. In May passenger car output was 56 per cent above the monthly average for the year.

**Chemical Industries**—Customarily experience a seasonal drop in June; this year the drop has not occurred, and prices have risen.

**Foodstuffs**—Activity greater. Payrolls in all groups, with the exception of flour milling, higher.

## "SWAPPING POSTS" FLOURISHED IN THE NATION'S EARLY DAYS

To the Editor of The Sierra Madre News:

Your swap idea is going over so big that it is due to become a bigger and better craze than the jigsaw puzzle. Next to the weather it is the chief topic of conversation, and I am looking forward to it taking the lead any time now. You meet a friend and the first thing he says, that is, after cursing the weather, is 'Got anything to swap.' He says it with such enthusiasm that you would think that he invented the idea. But hark ye lads and lasses. Away back before great-great-grandfathers sprouted their chin whiskers swapping was swapping. When that war the days. Let three may dispute me and causeth me to smyte thee over the truthfulness of my statement I am enclosing a copy of an "ad" printed in the Ulster County Gazette published at Kingston, N.Y., Saturday, January 4, 1800. I particularly call your attention to the last line which should be considered at great length. Take

Wholesale food prices advancing. Lumber—Continued improvement of the last few months during May and early June. Western pine output recently touched the comparatively high level of 36.7 per cent of capacity. Steel—There has been continued contrasational improvement. In the later part of June activity reached 50 per cent of capacity, the highest in two years, and has advanced since. A year ago rate was about 16 per cent of capacity. Textiles—Production increased sharply in May and continued into June, with consequent gains in both employment totals and payrolls. Prices rising. Paper—Sharing in general industrial gain. In June, for the first time since February, 1930, shipments of newsprint exceeded those of the corresponding month of the preceding year. Wool—Rising prices accompany increased output. Silk—Deliveries increasing since first of the year, now close to normal. Silver—Recently touched 38 1/2 cents, highest price since May, 1930.

One of the most important factors in the present trend, is the way seasonal influences are being overridden. A hundred industries are showing improvement at a time when a summer decline almost invariably occurs. Another excellent sign is the continued decline in the number of business failures—a field in which some of the blackest marks of depression have been registered the past few years.

TO HOLD BACK NOW IS TO DIG DEEP LATER

It is an ancient belief that the woman is the bargain-hunter of the family and that man must be dragged reluctantly, if at all, to where goods can be purchased cheaply.

If that is true, the man of the family must be having a good time now, for there is very little else but bargains, at prices unheard of a few years ago.

Those prices won't be with us much longer—economic law does not allow "distress" sales to go on forever. Everything from shirts to cement is going to cost more very soon, as higher price and wage levels will be on us before we know it.

It's about the last chance to buy needed household articles, and make property improvements and additions, at depression costs. The chances are that you, the reader of this, have been lax about keeping up your house and grounds, in order to save. But you had better start your building and repair work now if you don't want to dig deep into your pockets in the near future.

Providing jobs and purchasing power is better and cheaper than charity.

**FIND NEWSPAPER "ADS" THE ONES THAT COUNT**

Bruce Dennis, secretary of the Safeway Stores Co., one of the world's largest and most efficient food distributing agencies, says the newspaper is the only sound advertising medium for grocery and market groups to employ in their efforts to reach the public. In a recent public interview he said:

"Newspaper advertising we have found is the only sound advertising, and the advertising that counts in the long run. Other kinds of advertising do some good—but it is fluttering stuff—you lose next week what you make today. The handbill is a gamble. The business institution using newspaper advertising is on a solid foundation."

**ST. RITA'S PARISH TO GIVE CARD PARTY FOR SISTERS AT CONVENT**

St. Rita's Parish is sponsoring a card party next Tuesday evening, August 8, as a benefit for the Sisters of St. Joseph at the convent here. Officers of the Altar Society and Holy Name Society will act as hosts and hostesses for the evening. The affair will be held in the auditorium. Tables will be had for bridge and 500. Everyone in the community is welcome.

**HOMETOWN BOYS IN CAST OF PLAY AT GARDEN PARTY**

Selwyn Myers and Gilbert Somner were in the cast of "Frankie and the Johnnies," a play written and presented by Mrs. T. Cluff at a garden party at her home on San Pasqual street, Pasadena, on Sunday evening. Several Sierra Madreans were present.

it up at your leisure and let your subconscious mind ponder on it while you doze. Your conclusion will be, I am inclined to believe, that even today cash is a secondary consideration.

**"WHEN LADIES MEET" AT LYRIC THEATRE**

Ann Harding, who is co-starred with Robert Montgomery in "When Ladies Meet," which comes to the Lyric Theatre, Monrovia on Sunday, was born August 7th

**ANN HARDING**  
in Fort Sam Houston, San Antonio, Texas, the daughter of the late General Grant Cartley.

After spending her girlhood in the army stations, Miss Harding decided to embark upon a career of her own and entered an insurance office in New York. At the same time she joined a group of community players for recreation and dramatic study. This led to her stardom on the stage and subsequent entry into films.

**MANY STARS BILLED AT THE COLORADO**

"Kiss Before the Mirror," with Nancy Carroll and Paul Lukas, is the feature picture to be shown this evening and Saturday at Bard's Colorado Theatre in Pasadena. A special matinee for the kiddies will be shown on Saturday at 2 p.m. Five acts of headline vaudeville are scheduled for Saturday and Sunday.

Coming to the theatre on Sunday, Monday and Tuesday is "The Mind Reader," starring Warren Williams and Constance Cummings.

"I Have Lived," with Anita Page and Alan Dinehart, is to be presented next Wednesday and Thursday.

At all performances Herb Kern, well-known organist, will present novel interpretations at the organ. Short subjects complete each program.

**ST. RITA'S PARISH TO GIVE CARD PARTY FOR SISTERS AT CONVENT**

St. Rita's Parish is sponsoring a card party next Tuesday evening, August 8, as a benefit for the Sisters of St. Joseph at the convent here. Officers of the Altar Society and Holy Name Society will act as hosts and hostesses for the evening. The affair will be held in the auditorium. Tables will be had for bridge and 500. Everyone in the community is welcome.

**HOMETOWN BOYS IN CAST OF PLAY AT GARDEN PARTY**

Selwyn Myers and Gilbert Somner were in the cast of "Frankie and the Johnnies," a play written and presented by Mrs. T. Cluff at a garden party at her home on San Pasqual street, Pasadena, on Sunday evening. Several Sierra Madreans were present.

annoyance of paying it. It was intended to cover practically every purchase made from a retailer, excepting gasoline which is already subject to both State and Federal taxes. He warned the business men also with the necessity of applying for the necessary State permit before the expiration of this month, a stiff penalty having been provided for those who fail to secure and to display the permit, or license before September 1.

In a round table discussion following Mr. Holmes' speech much interest was shown in the successful operation of the National Industrial Recovery Act and though it was predicted that its provisions would be found irksome in some instances, it was to the interest of everyone to support the President in enforcing the act to the very limit. If the gigantic experiment should fail, it was agreed, a state of utter chaos would result, with the Nation facing all the perils that beset other countries that have entered upon communistic and other experimental forms of government.

Acting President John L. Woehler of the Kiwanis announced that in consideration of the importance of many situations developing out of the operation of legislation enacted and regulations promulgated in the epochal era through which the Nation is passing, the club has arranged for a special series of Tuesday luncheon meetings during the next six weeks to which the citizens of Sierra Madre—men and women—are invited. Those who do not wish to join in the luncheons at 12 o'clock are cordially invited to come at 12:45 each Tuesday for the express purpose of hearing the speakers.

Well informed speakers who have made a special study of the subjects they will discuss have accepted invitations to address the club and its guests at these meetings. The talk by Mr. Holmes on the new sales tax was the first of this series. Next Tuesday at noon the club and its guests will listen to one of the best informed authorities in Southern California on the National Industrial Recovery Act.

## In A Social Way

THE marriage of Miss Sarah Preston Schwartz, daughter of Mr. and Mrs. Preston Schwartz of 287 East Montecito avenue, and Laurence Lefevre will be solemnized tomorrow, August 5, at 12 o'clock at the First Congregational Church. Rev. Charles Spaulding, of the Episcopal Church at Coronado, uncle of the bride, will perform the ceremony.

The bride will be attended by Miss Helen Luscomb, of San Diego, as maid of honor, and Gwyn Williams, of Cambridge, England, will be groomsmen.

Only the family and intimate friends will be present.

An impromptu party, honoring Mr. and Mrs. Lawrence Brain, who were married on Sunday, was given by members of the All-Star baseball team at the home of Mr. and Mrs. Waverly E. Pratt, 667 West Grand View avenue, following the game on Wednesday evening. Mr. Brain is catcher of the team. All members and wives of the team available were present. Mr. and Mrs. Brain were presented with a lovely wedding gift.

Mrs. C. W. Weaver, of Brookside Lane, entertained with a bridge luncheon on Tuesday for members of her bridge club. Covers were laid for 16 guests.

A dinner party will be given by Miss Leah Fletcher in the gardens of her home, 634 West Highland avenue, this evening in honor of Mr. and Mrs. Paul Roland, exhibitors at the Little Art Gallery this month. In the evening the party will attend open house at the Municipal Art League barn. Included in the guests will be Miss Gertrude Chapman, of Gardena, and Mrs. Carl Potter, of Sierra Madre.

Mr. and Mrs. Leroy Sullivan, of 169 North Baldwin avenue, entertained for the weekend, Mr. and Mrs. Irving Adams and son, Irving Adams Jr., and son-in-law and daughter, Mr. and Mrs. Davidson Cook, of Hollywood. H. B. Ayers, who has returned from a trip to Chicago, was among the dinner guests on Saturday evening.

Mr. and Mrs. R. S. Jensen, Jack and Merrill Jensen, and Miss Kathleen Moote, of Sierra Madre; Mrs. William Montgomery and Miss Margaret Montgomery, of Arcadia; Mr. and Mrs. Ford Canfield, of Highland Park, and Mrs. Kinsman and daughter, Dorothy, of Long Beach, enjoyed a picnic on Monday at Corona Del Mar.

## VISITING EDITORS OPINE THAT THIS IS A MOST INTERESTING TOWN

Newspaper editors who came to Sierra Madre to attend the luncheon of the local and Altadena Kiwanis clubs last week found much to interest them and to write about in their journals. Tobias Larson went back home and under the caption "An Artist Town" had this to say in his "Claremont Courier":

"A lot of these towns in California have their own peculiar characteristics. There's Sierra Madre with a colony of artists. Found that out Tuesday when I attended a joint meeting there of Kiwanis clubs of Sierra Madre and Altadena as guest of Larry Goshorn, publisher of Sierra Madre News, who had John King of Hemet News as speaker, other publisher guests being Lloyd Tiernan of Barstow and Colonel C. A. Rook, retired Pennsylvania publisher.

"In the afternoon we visited the Dewey home, 'way up in one of the canyons, a house that had grown up like Topsy under a huge tree. In the main room were innumerable paintings of California scenes.

"Tuesday was a hot day, you'll remember, and so the guests were astonished but grateful when it started to rain. Rain fell from the eaves and splashed onto me sitting near a window. As we left the shower ceased—when the artist turned off the water being splashed into the tree that covered the studio.

"Then to the Knost studio, built somewhat similarly under two huge clusters of live oaks. He is a music director, she a singer. They demonstrated a new operetta not yet in print, to be given in their new bowl by home talent.

"Then to the Hawxhurst studio. He was formerly cartoonist, now instructor in paintings and drawings. A similar weird home, in-expensive but novel. In the gardens, a bamboo thicket with seats in cool spots and a brook trickling by. Also to Italia Mia, the

home of Miss Thomasella Graham, a beautiful show place with fountains, lanes festooned with Irish yew trees, ponds full of goldfish and water lilies—a sort of fairyland.

Then to the Goshorn home for a memorable dinner, served by his charming daughter, newspaper men trying to talk the language of artists, and finally compromising by trying to be natural.

"Thanks, Mr. Goshorn, that was a memorable afternoon."

## Order Materials For New Race Track At Baldwin Park

Seventy thousand dollars worth of building materials to be used in construction of the new Baldwin Park race track has been ordered by A. J. Unlack, the promoter, and William P. Neil, contractor, announces he has received instructions to proceed with the work within 30 days. Unlack, however, makes no secret of the fact that he expects the new State Racing Commission to pass upon his application for a permit in the interim and obviously the contractor will not proceed unless the permit is forthcoming. Unlack says the racing plant will cost in excess of a quarter of a million. Promotor Joe Smoot is also holding up work on his million dollar Santa Anita Park plant in Arcadia until the commission has acted on his permit.

## ARRANGE FOR HUGE CROWD AT IOWA STATE PICNIC

More than 100,000 Iowans are expected at the summer picnic to be held in Bixby Park, Long Beach, Saturday, August 12. "The Golden Wedding Pageant" will attract some two hundred couples who have been married fifty years or more and one or both have lived in Iowa.

## WAITING FOR COUNTY FAIR

4-H club members throughout the Southland are busily engaged in rounding up their projects, preparing their exhibits and planning for their camp at the combined Los Angeles, Riverside and Orange county fair in Pomona, Sept. 15 to 24. Hundreds of the youthful farmers will participate and there is every indication that the gathering will be by far the largest in the history of the fair. Here Miss Helen Kingsley, of Pasadena, a club member, is shown with a prospective entrant in the Junior livestock show.

Mrs. R. C. Polsue, of 264 West Grand View avenue, is seriously ill at her home.

Mr. and Mrs. Mannerville, of San Pedro, spent Sunday with Mrs. J. P. Hudson, of 136 West Highland avenue.

Warren Preston Jr., of West Montecito avenue, is ill with ear trouble at his home.

Miss Irene Middough and Miss Jane Holland are spending the week at Catalina Island.

Mrs. Etta M. Wright, of 233 Santa Anita Court, is spending sometime in Los Angeles.

Mrs. Ethel Hall, of 154 West Central avenue, has been vacationing for two weeks at June Lake and Big Bear Lake.

Mr. and Mrs. Fleming and son Buddy, of North Baldwin avenue, spent Sunday at the beach.

Mr. and Mrs. E. E. Bell, of Long Beach, have been spending two weeks with Mrs. Myrtle Bradford, of Brookside Lane.

Miss Moreland Kortkamp, of 32 Park avenue, spent a few days this week as the guest of Miss Alta Paquette, in Pasadena.

Ray Fox, of East Montecito avenue, has been vacationing for a week with Sam Schwartz at the Schwartz Balboa Beach home.

Mr. and Mrs. W. J. Lawless, of 506 West Grand View avenue, left this week to spend the month of August at their San Clemente home.

A son, Robert Nelson, was born on Saturday to Mr. and Mrs. Nelson Brooks, of West Grand View avenue, at the Pasadena Hospital.

Mrs. Eva Hernandez and mother, Mrs. C. J. Harriman, of West Central avenue, spent several days last week at Long Beach.

Mrs. Lillian Wheeler and son, Eugene McCord of 652 Alta Vista Drive, returned on Friday from a visit of several days with friends in Hollywood.

Russell Keene, of West Montecito avenue, enjoyed a vacation of four days last week, dividing his time between Lake Arrowhead and Belmont Shores.

Callers at the home of Mr. and Mrs. Roy H. Pickett, 201 West Central avenue, on Sunday were Mrs. H. P. Tracy, of Chico; Miss Oda Mae Tracy, of Manhattan, Kansas; Bobby Anderson, of Gypsum City, Kansas; Mr. and Mrs. Loren West and daughter, Patri-

cia, of Long Beach, and Mr. and Mrs. Frank Maxwell and Mr. and Mrs. H. M. Kincaid, of Southgate.

Mrs. Webster Vannier and small son, of Bonita avenue, have returned from a two month's holiday with her mother, Mrs. Simmons, at Hermosa Beach.

Mrs. Waverly E. Pratt and son Lorne, of 667 West Grand View avenue, visited Mrs. Pratt's mother, Mrs. Mae W. Hicks, at Long Beach several days last week.

Mrs. Bessie Grammer and two children, Kathryn and Ralph, of 24 Park avenue, returned on Tuesday from Riverside where they spent the week-end with a friend, Mrs. Hill.

Mrs. Mattie Cuddy, of Marlborough Terrace, represented the local tent of the Daughters of Union Veterans of the Civil War on Monday at a past presidents' meeting in Glendale.

Howard and Bob Lieben, Warren Preston and Bill Hansen camped on the beach near Laguna over the weekend. Fishing from the rocks and swimming in the surf were enjoyed.

Miss Lulu Moore, 90 East Central avenue, local librarian, returned on Friday from a two weeks' vacation trip to Vancouver and Victoria, B.C. The trip was made by boat.

Miss Dorothy Moore, of 689 West Central avenue, and the Mark Wright family, of Torrance, left on Saturday to spend a week on the Moore ranch in the San Jacinto mountains.

Mrs. M. R. Englander, of 642 North Auburn avenue, was guest of honor at the Hollywood Bowl Artists and Conductors breakfast on Tuesday. Mrs. Englander was introduced as campaign director of the Bowl for Sierra Madre.

## Unfortunate Taxpayers To Get A Break

### New Law Allows Payment Of Delinquencies On The Installment Plan

In signing a bill passed by the legislature providing the installment plan for the payment of property tax delinquencies, Governor Rolph expressed the opinion that it "is the most important piece of legislation enacted by the legislature in giving relief to unfortunate taxpayers."

"High penalties, interest and costs for redemption have been abolished," the Governor added, "and a 7 per cent interest charge and the taxes are the only amounts required to be paid for redemption. The owner if he so elects, may pay the tax and interest charges in 10 equal annual installments beginning April 20, 1934. This law I believe will bring millions to the counties in delinquent taxes and will save thousands of homes and farms to the owners."

Analyzed by County Auditor Payne the new law means that: There will be no sale of delinquent property at auction for two years.

Until next April 20, all accrued and accruing tax delinquency penalties and interest may be waived by taxpayers if they will pay 7 per cent interest on back taxes, the interest charges dating from July 1, 1932.

By making a cash payment of one-tenth of the sum of back taxes—minus any delinquency penalties which are waived by the state—property owners may arrange to pay the tax debts in nine other installments, all over a 10-year period.

Arrangements for payment must be made with the county auditor before April 20, 1934. By making a full cash settlement, property owners may settle all back taxes without paying interest or penalties except for the 7 per cent from July 1, 1932, until the date of payment.

Payment of back taxes under the part payment plan must be accompanied by handling of current tax bills.

Instead of paying \$2.02 on each dollar of unpaid levies as a penalty for tardiness, the owners may "settle" at practically a dollar-for-dollar rate, and this on a 10-year installment plan.

## NAPOLEON COMES TO THE FRANCE OF TODAY

Moroni Olsen, noted actor-director of the Pacific Northwest, and Ruthelma Stevens, of the New York stage, are in the cast of "Man of Wax," unusual romantic comedy by Julian Thompson, which had its premier Tuesday evening at the Pasadena Community Playhouse, with Lloyd Corrigan in the leading role.

"Man of Wax" concerns a romantic visit by Napoleon to present day France where he meets a modern Josephine. The play was originally presented in France and Germany with great success.

## BUCKEYES PICNIC SUNDAY

Ohioans in Southern California will gather at Bixby Park, Long Beach, for their big summer picnic reunion on Sunday, August 6. It will be an all-day affair with President Harry George of the Ohio State Society in charge of the program to be presented beginning at 2 o'clock.

Monrovia and Arcadia. She announces that there are still tickets available for concerts at half price and that these may be secured by calling her.

The choir of Bethany Church enjoyed a beach party last Tuesday at Corona Del Mar. Swimming in the afternoon and a wiener roast in the evening was the diversion of the 27 present.

Mrs. George Seager and daughter, Miss Jane Seager, of San Bernardino, arrived on Wednesday to spend the week with Mrs. Seager's cousin, Mrs. George B. Morgridge, of 19 West Orange Grove avenue.

## Gabrilowitsch Will Appear in Hollywood Bowl

One of the leading musical personalities in America today will appear in the Hollywood Bowl in dual capacities on this season's "symphonies under the stars." Ossip Gabrilowitsch, noted both as conductor and pianist, will take part in five concerts, directing the orchestra in four, starting Thursday, August 10, and appearing as soloist on Tuesday, August 17.

A smile will win confidence and friendship, while a frown will lend discouragement to yourself and to your neighbor.

## Endeavor Society Names Delegate To Tahquitz Conclave

Jack Jensen was selected as the delegate to the Los Angeles County Union's summer conference by the Young People's society at their monthly business meeting. This conference will be held from August 12 to 19 at Tahquitz Pines in the San Jacinto Mountains. This is the first time that the Christian Endeavor Society of this church has sent a delegate to any of the various conclaves.

After having collected several radios from the various members of the society, there was finally arranged the necessary hook-up for the remote control "broadcast" of last Sunday evening's program. The meeting, which was in charge of the missionary department, featured talks from missionaries and their converts of Siam, Korea, China and Japan.

This Sunday evening's meeting is the regular consecration service. Mary Sheriff will lead the discussion. All members are expected to be present to answer to the roll call with a verse of Scripture.

**W**EDS in the garden are unsightly but that is the least of their faults.

The heaviest loss by weeds results from their competition with plants for food, moisture and light. When the plant has to share its moisture and food with weeds, it can do very little more than exist.

We sometimes see a plant smothered to death with a weed that has taken all the room and light, even if it hasn't taken all the moisture and food.

If you wish to have thrifty plants and trees, keep the weeds down. And get rid of them before they go to seed or you will have a dozen come up where you had one before.

It is interesting to note that some weed plants produce enormous numbers of seeds. For instance, the common tumbleweed produces approximately 6,000,000 seeds per plant, crab-grass 204,000 seed per plant and mustard 143,000 seed per plant.

Many of the weed seeds retain their vitality for many years, especially when buried in the soil. The seeds of mustard, purslane, pigeon grass, pigweed, mayweed, dock, and chickweed are known to live more than 30 years buried in the soil.

Plowing may turn weed seeds to a depth where they do not receive enough air to enable them to germinate, then at a later date the soil in which they repose may be plowed up again and they will germinate.

Thus an area that has been relatively free of weeds may suddenly develop an abundant and unexpected crop. We often have this to contend with when spading up a clean piece of soil to plant a lawn.

Some weed seed will not germinate the year they are shed but require a period of rest.

### COULD YOU PASS THIS MOTORIST'S EXAM IN FAR-OFF MANCHURIA?

Efforts to promote safe driving by examinations for operators licenses are being made even in far-off Manchuria, according to a list of questions asked driving applicants and received by the Automobile Club of Southern California. Questions asked in a May examination this year at Mukden, Manchuria, included the following:

"Explain the attention when driver wish to separate from motor car under temporary stoppage on the road of downhill."

"Describe the matters to be attended to entertainment of tyre."

"What is the process in such a case that a motor car wish to stop at a narrow way, great way, great street, front of a gate and prosperity place, etc?"

"An excessive drunkenness of driver prohibited by the regulations, what is the significance in there?"

"What is the process not to accompany dangers in such a case that an automobile under running state want to run beyond the previous car which is also running condition?"

"How many distance to begin the caution siren or bugle, etc., as a driver should placed in such that the passer-by horses and vehicles lies on the front of carriageway of an automobile?"

### More Popular Books In Collection At The Public Library

The rather remarkable increase in the number of patrons and demand for books continued at the Sierra Madre Public Library during July when 5379 books were circulated, an increase of seven per cent over July 1, 1932. There was a registration of 41 new patrons during the month.

A number of the most popular books of recent publication, both fiction and non-fiction were added. These volumes went into the shelves.

Fiction—"Union Square" by Halper; "Best Short Stories of 1932" by O'Brien; "Little Man, What Now," Fallada; "Anthony Adverse," Allen; "Carr," Bentley; "Wife for Sale," Norris; "Rustler's Paradise," MacDonald; "Mistress of Monterey," Bartlett; "Protecting Margot," Rosman; "Meriwether Mystery," Strahan. Non-fiction—"Recovery," Salter; "Lost Continent of Mu," Churchward; "New Background of Science," Jeans; "Tattered Banners," Powell; "Texts and Pretexts," Huxley; "Both Your Houses," Anderson.

### LOCAL BOYS OFF FOR TWO WEEKS AT BETHEL CAMP

A group of boys from the Boys' Christian League of the Congregational Church, left on Tuesday on a two weeks' camping trip to Camp Bethel. In the party were Lorne Pratt, Gordon Blanke, James Stivers, Stanton Irvine, Bill Carpenter, Junior Carpenter, Russell Lovejoy, Bill Johnson, Richard Twycross, Bob Evans, Bud Holland, Buster Olsen and Billy Mays.

### Fire Flames

By one of the boys

**A**N expert pump man was a visitor during our last fire practice. He came as a manufacturer's representative to check up on the workings of the pump and to determine whether or not the Sierra Madre firemen knew what it was all about. Everything was satisfactory and he declared us O.K. In fact some of our engineers showed him some new tricks that he was glad to carry back to the factory with him. The pump was capable of throwing four streams of water that would blow over any little pig's house. Despite the fact that Roy Walsworth is plenty strong, he was being swayed in many directions by the force at the end of the nozzle.

There had been plenty of rumors, but still it was a surprise to learn of Vin Fleming's resignation from the department. He joined about two years ago and apparently enjoyed the association of the men, but was unable to attend the meetings regularly. This was his reason for the resignation.

An election for a new member was immediately held and now Harry Scott is a member of "the best fire department in the State." As he was unanimously elected, he must be favored for a new seat in the Southwest Corner. Louie says that the Corner needs new blood. And there isn't much doubt but what they'll get some of Harry's. Mr. Scott will be initiated into the mysteries of the Fire Department at the next regular meeting, so we are hereby suggesting to Mrs. Scott to prepare Harry for the ordeal before she sends him off to the meeting.

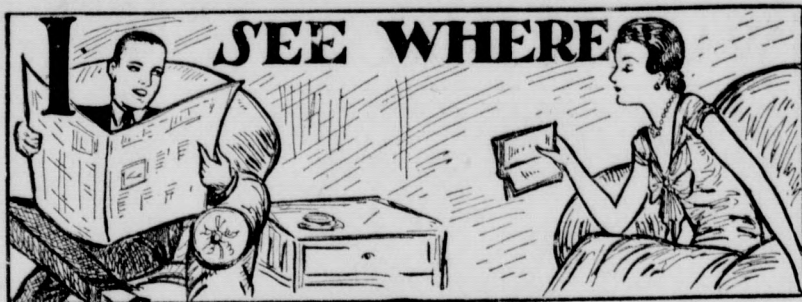

There is some talk of getting a volley ball outfit to keep the old boys young. A good idea, then maybe that gang that interferes with the business of the Southwest group on Friday nights would have some way of getting the extra energy off their chests besides talking so much.

Those two very hot days that we had last week aroused much expectation of a fire, but we escaped again.

Covina has just upset the tradition of more than fifty years and voted wet at a special election wherein it was sought to repeal a recently enacted dry ordinance prohibiting the sale of legal beer and wine. The repeal carried by a vote of 573 as against 412 for its retention. The wet victory opened the door for immediate sale of beer. At the election of June 27 Covina voted against repeal of the 18th Amendment of 35 votes.

When they read of the passage of a new law, few taxpayers realize that almost without exception the adoption of statutes means the creation of more jobs and consequent increase in the public expenditures which call for more taxes. Assemblyman P. J. West of Sacramento in an attack upon the Civil Service record of Governor Rolph, gives the public a peek behind the scenes incident to passage of legislation carrying the Riley-Stewart Taxation Plan into effect. "In addition to many Civil Service jobs" he said "the legislature created 600 exempt positions in the State Board of Equalization to make the Riley-Stewart law effective."

J. F. E. Nickelsburg, executive secretary of the American Lutheran Publicity Bureau told the International Waltham League in Chicago that the greatest need of the churches in America today is for "a spiritual advertising campaign to get new business."

Supporting his contention he quoted from the Bible "Publish and conceal not" and "What ye hear in the ear that preach ye upon the housetops."

"There are more than 63 million unchurched people in this country" he said "and the greater part of these are prospects and may be reached by the public press through the medium of paid advertising and church news items."

Monrovia is the latest foothill city to go in for beautification of its commercial district by the planting of cocus plumosa palm trees. Myrtle avenue is to be lined with this graceful palm—one in front of each business house and lot. Mayor George Williams has announced that the city will supply and plant the trees and give them permanent care. The Merchants Association started the movement.

Red-haired girls are to be all the rage this year, according to

the Massachusetts League of Hairdressers. But the red heads must not be too red—just a ruddy coppery brown.

The Peerless Motor Car Corporation, makers of automobiles for nearly three decades, is installing machinery for the manufacture of 3.2 ale in its huge Cleveland plant instead of motorized vehicles.

### A. L. A. Activities

By Dorothy Shetler

**J**UNIOR A.L.A. President Marjorie Stinman urges all the girls that wore Poppy costumes to be sure to bring them along when they attend the Juniors meeting tomorrow (Saturday) afternoon at 2:30. Pictures are to be taken, weather permitting. The meeting place will be at Finnelle Hill's home on East Montecito.

President Marjorie's young bud Gordon is now fine after his tonsilectomy.

President Maybelle Barker spent last Thursday in Pasadena, that was the chief reason she didn't attend the big doin's at Baldwin Park.

Comrade Val Miller was the smiling chauffeur for the school "girls" when they went to Muir Tech in Pasadena on Tuesday. The pupils received some last minute instructions on the delicate job of handling the crowd at the convention as pages and ushers. Cathryn Miller and Bertha Irvine were appointed ushers and D. Shetler a page.

Two of our A.L.A. members are busy with their vacations. Ellen Evans and the boys and Florence Jensen and her three youngsters are up at the Evans cabin at Fern Lodge. Poppa Evans and Poppa Jensen spend the week-ends up in "them thar mountains" also. Let us hope they don't have the trouble with wind and thunder storms like they did last summer. Also that young Russell Jensen don't get on too close acquaintance with

the poison oak in that vicinity. Elizabeth Goodier has had quite a sick spell the last couple of days. She hasn't been ill long but while it lasted it was no fun.

The three delegates to the convention, Leila Embree, Maybelle Barker and Lucile Pickett and your Publicity Chairman attended the Fourth Area meeting in Los Angeles on Wednesday. A business meeting was held all day, with a delicious luncheon served at noon. Convention plans and instructions were the topics of chief interest.

Two cars journeyed forth to the Stagless Stag Party at Baldwin Park last Thursday night. In the party were Dolly Hill, Opal Peterson, Helen Lovejoy, Leila Embree, Bertha Irvine, Nell Mathis, Elizabeth Goodier, Cathryn Miller and Dorothy Shetler. Each one was garbed in men's clothing. The ideas presented were good, and had the other folks at the party beat like sixty. The entertainment was a burlesque on a real Stag party. Everyone had a real whoopee time.

Members of the Economy League band didn't know whether to be annoyed or pleased when a unit from over toward the hemline of our 18th District came to entertain with an imitation on our orchestra. There is a saying that when anyone imitates something the original must have been good otherwise the imitation wouldn't have been done.

They were excellent with their musical numbers; but of course they had no Shimmering Leaf, or Crooked Leaf or Bent Bough, or Weeping Willow, etc., and what is a Silly Symphony without them or actors such as Mae West's little sister and Hong Kong the Chink.

Remember Monday night August 7 is the night we of the A.L.A. are to be the guests of the Legion boys, at their Dugout.

## White Wash Alhambrans On Four Hits

Pratt Pitches Record Game Of Legion Season To Cop A 13-0 Victory

Sierra Madre's Legionnaires scored a 13-0 victory over the Alhambra veterans here on Friday night when Pratt pitched the record game of the Legion season, allowing the visitors only four hits. Five of Sierra Madre's 14 hits were for extra bases. Evans hit safely three times out of four times up sending out a long homer and a two bagger.

Poor fielding by Alhambra figured no little in Sierra Madre's big score, but the locals did enough solid plunking to win any ordinary game. They made three runs in the first inning on a single by Welch, two errors and a single by Young, two in the third on a single by Harkness, a double by Evans and one error, four in the fourth on an error, two singles by Welch and Hill and a long home run by Evans. A run was added in the fifth on a single by Olsen, an error and a fielder's choice, three in the sixth on a single by Harkness, a double by Pratt, a walk to Evans and a single by Olsen. The score:

## Race Pools Will Be Sold At County Fair Next Month

Race pools will be sold at the Los Angeles County Fair this year. It will be the first legalized betting in Southern California as a result of the recent State-wide vote permitting pools to be sold. The County Supervisors, who supply most of the funds for operation of the fair, can see no reason why there should be an exception to race horse betting at the fair since the sale of pari-mutuels has been sanctioned by the people. Supervisor Hugh A. Thatcher, of this district, cast a dissenting vote when the decision was reached. Directors of the fair have, of course, accepted the action of the supervisors though some of them have announced their opposition to the sale of pools on the two Sundays that the fair will be open.

## If You Want to Get Ahead DO THIS . . .

The president of one of the largest savings banks in America is the author of a simple and dependable formula for you who want to get ahead:

"Put your savings in a bank and forget about it. Save regularly just like you take a bath or have your hair cut. Then don't keep thinking about the \$50 or the \$100 you have piled away in the bank. Those very thoughts are dangerous. First thing you know you'll be slipping in and drawing out a little at a time to buy something you could very well do without."

KEEP A DIME out of every dollar you get—and put it to work for you in a savings account.

## LEGAL NOTICE

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE

No. 357389

SIERRA MADRE SAVINGS BANK, a corporation Plaintiff.

—vs—

CHAS. J. HARRIMAN, et al., Defendants.

In the Superior Court of the State of California in and for the County of Los Angeles—

By the judgment and decree of the above entitled court in the above entitled action, entered and recorded on the 5th day of July, 1933, in judgment book 862 at page 21, et seq., wherein the above named plaintiff obtained judgment and decree of foreclosure and sale for the sum of Fifty-five Hundred ninety-two and 70/100 Dollars plus interest and costs, to which judgment and decree reference is hereby made, and by order of sale issued to me by the clerk of the said court pursuant thereto, I am commanded to sell at public auction all of the following described premises, situate, lying and being in the City of Sierra Madre, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

Lot Two (2) of Brainerd's subdivision of the East 1/2 of Lot Four (4) of the Sierra Madre Tract in the City of Sierra Madre, County of Los Angeles, State of California, as per map recorded in Book 10, page 75 Miscellaneous Records of said county.

PUBLIC NOTICE IS HEREBY GIVEN that on Saturday, the 5th day of August, 1933, at 10 o'clock A.M. of that day, at the eastern and Spring Street entrance of the Los Angeles County Hall of Justice, in the City of Los Angeles, County of Los Angeles, and State of California, I will sell the above described property, or so much thereof as may be required in compliance with the said order of sale and decree of foreclosure and sale, to the highest and best bidder for cash. Dated July 7, 1933.

R. E. ALLEN, Commissioner appointed by said Court.

ROBERT MITCHELL, 515 H. W. Hellman Bldg., Los Angeles, Calif. Attorney for Plaintiff. —42:45

NOTICE OF TRUSTEE'S SALE No. TS-563

On TUESDAY, the 22nd day of AUGUST, 1933, at 11:00 A.M., SECURITY-FIRST NATIONAL BANK OF LOS ANGELES, as Trustee under and pursuant to Deed of or Transfer in Trust executed by ERNST POTH and ELIZABETH POTH, his wife, dated June 10, 1930 recorded June 25, 1930, in Book 10055, Page 199 of Official Records in the office of the Recorder of Los Angeles County, California, and securing, among other obligations, note for \$1,000.00 dated June 10, 1930 in favor of ANNA FRIES and MARGARET FRIES, her sister, as joint tenants, will sell at public auction to highest bidder for cash (PAYABLE IN UNITED STATES GOLD COIN AT TIME OF SALE), OR IN OTHER LEGAL TENDER, at the Eastern entrance to the Hall of Justice facing toward Spring Street, Los Angeles, California, all right, title, and interest conveyed to and now held by it under said Deed of Transfer in the property situate in the City of Sierra Madre in said County and State, described as

Lots Ninety-four (94) and Ninety-five (95) of Tract 2456, Sheet 1, in the City of Sierra Madre, as per map recorded in Book 24, Pages 36 and 37 of Maps, in the office of the County Recorder of said County.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the entire principal sum of said note, to-wit, \$1,000.00, with interest from June 10, 1932, at the rate of eight per cent per annum, compounded quarterly; advances if any, under the terms of said Deed of Transfer; fees, charges and expenses of the Trustee and of trusts created by said Deed of Transfer.

The beneficiary under said Deed of Transfer, by reason of a breach or default in the obligations secured thereby, heretofore executed and delivered to undersigned a written Declaration of Default and Demand for Sale and written notice of breach and election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on April 26, 1933, the undersigned caused said notice of breach and election to be recorded in Book 12192, Page 16, of Official Records in said recorder's office.

Dated July 27, 1933.

## Dealers Allowed To Absorb The New Retail Sales Tax

First interpretations of the retail sales tax law by the State Board of Equalization, which will administer it, were issued two days after the tax became effective. The board rules that laundry and dry cleaning establishments render a service that is not taxable. Farmers selling their products directly to the consumers are classified as merchants and must not only collect tax, but take out a license. Boarding house keepers must segregate their charges for room and board and collect a tax on the latter, being also required to take out a license.

The board ruled that while it is the laws intent to collect the tax from the consumer it is without legal authority to prevent a dealer from absorbing the tax. The dealer can be sure, however, that the State will collect a tax of 2 1/2 per cent from his gross business. And the law does, plainly, prohibit the merchant advertising or proclaiming the fact that he is absorbing the tax if he prefers to do so.

## Favorite Recipes of Sierra Madreans

THIS favorite recipe of Mrs. Charles McMillan, for Pickled Figs has given satisfaction to many Sierra Madreans who have used it: Pour boiling water on the figs. Boil until figs have changed color and are tender but whole. Pick out with fork and drain in colander about two hours. Put one clove in each fig or put cloves, cinnamon, and a small piece of ginger in cheesecloth and put in syrup. To five pounds of figs use 3 pounds of sugar, 1 1/2 cups water, and 1 1/2 cups vinegar. Make a syrup of this and pour over figs. Let fruit get hot through and set off stove until cool or overnight. Repeat until fruit is clear and syrup is rich. Do not use all of the sugar at first but keep adding a little as you heat the syrup, else figs will get hard. Put in jars and seal.

## KENNETH ECKRODE PASSES ON AT HOME HERE

Kenneth Eckrode passed away at his home, 42 West Mira Monte avenue, on Thursday following an illness of some time. He was 31 years of age and came here about three months ago from Tucson, Ariz., where he had been an attorney. He is survived by his wife, Mrs. Grace Eckrode, and a small son. Funeral arrangements, which are in charge of the Grant Parlors, have not been completed.

If You Want to Get Ahead  
DO THIS . . .

The president of one of the largest savings banks in America is the author of a simple and dependable formula for you who want to get ahead:

"Put your savings in a bank and forget about it. Save regularly just like you take a bath or have your hair cut. Then don't keep thinking about the \$50 or the \$100 you have piled away in the bank. Those very thoughts are dangerous. First thing you know you'll be slipping in and drawing out a little at a time to buy something you could very well do without."

KEEP A DIME out of every dollar you get—and put it to work for you in a savings account.
